Concept Fiere di Parma builds on the legacy of Expo 2015, once again transforming Milan into the global capital for food innovation, sustainability, and new food models and trends. The revamped TUTTOFOOD Milano 2025 focuses on four key pillars:

TUTTOFOOD

INTERNATIONAL
FOOD EXHIBITION

MILANO

MAY 5 | 8 MAGGIO. 2025

1. **A global concept**, supported by Fiere di Parma's expertise in internationalization and a dedicated Incoming Program for selected buyers.
2. **A strategic alliance** with Koelnmesse (organizer of Anuga) to elevate the quality and quantity of exhibitors and visitors.
3. **A redesigned layout**, including three new halls, with one dedicated to Specialty Foods, engaging regional and global TPOs.
4. **Milan's unique location**, combining business and cultural experiences.

Side Events Mondadori Media and Fiere di Parma will debut **TUTTOFOOD Week** (May 3–8, 2025), featuring B2B2C events under the theme **"Feed of Future"**, which aligns with TUTTOFOOD's vision of responsible and sustainable food culture. Daytime and evening events will take place in iconic Milan venues.

At the fair, **Corso Italia** will host the **TUTTOFOOD Street Experience**, featuring talks, cooking shows, and exhibitions on food, nutrition, and sustainability.

Connections

& Logistics **By Train:** Rho Fiera FS Station served by high-speed and regional trains.
By Metro: ATM Line 1 offers direct access to the venue.
By Airplane: Linate (30km), Malpensa (42km), Orio al Serio (54km).
By Car: Easily accessible from major Italian cities.

Parkings 10,000 spaces available.
